ergy, 7001 SW 24th Ave,

wille, FL 32607

Your current rate plan will be in effect until this date.

2 Actual Charges

and previous payments. We recalculate your budget billing four times each year to make sure it is aligned with your actual charges. This column shows a running tally of your actual electricity charges

3 Budget Charges

This column shows your current level billing charges, also called budget billing charges. The total shown here is the amount due.

4 Average Price per kWh

charges, recurring TDU charges and service fees, divided by your consumption and rounded to the nearest one-tenth of a cent Your average price is calculated as the sum of your energy

5 Remittance Slip

us quickly credit your account even if your payment should be Please include your customer number on your payment. This helps separated from the payment coupon during processing.

6 Energy Charge

A charge based on the electric energy (kWh) consumed

TDU Delivery Charges

դեր Արգանան այստանի արդարանի այստանի հերանում

8709

A charge to cover the cost of moving electricity from the generation plant to your home.

Service Fee

Administrative fee.

Miscellaneous Gross Receipts Tax Reimbursement

A fee assessed to recover the miscellaneous gross receipts tax imposed on retail electric providers operating in an incorporated city or town having a population of more than 1,000 people.

PUC Assessment

A fee assessed to recover the statutory fee for administering the Public Utility Regulatory Act.

Sales Tax

Sales tax collected by authorized taxing authorities, such as the state, cities and special purpose districts.
